He leaves us thinking about how the Templars may have been among the first to visit the American continent and have perhaps a relationship with the world's pirates. Definitely leaves me very interested in The subject, many doubts and eager to document me more. ... More this is a very informative book, for all who want to learn more about the Templar and the mysteries that surround them. Rules, secrets concerning Jesus and the origin of the Catholic religion, the political influence of the order of the temple. The definitive book on Templars. - This edition is the only one; - The translation is completely original and made for the Ale. Mar. Sas; - All rights reserved. The Templar Knights, by Charles G. Addison, was published for the first time in 1852. It is a complete vision of the Templars, a Catholic military order founded in 1118. Addison explores the oars of the order, The information about Hugh of Payens, the Crusades, the temples of London, the riches they acquired and their eventual cair. With its distinctive white mantles with a Red Cross, the Templars became one of the most rich groups of Europe in the twelfth and thirteenth centuries. In fact, it was his wealth that provocó á his dissolution in 1312, after King Felipe IV of France pressed Pope Clemente v because he was very indebted to them. Taking advantage of rumors about the secret ceremonies of initiation and the growing distrust in the order, the king saw the way to destroy them and cancel their debt. Manuel Mijokovski Was Born As First Son of a Cooper in Former Yugoslavia, allys Serbia 30 km Away from Belgrade in A Small Village Called Glogonj. IT was february 6th 1972.Manuel Has 2 Sisters. Zaklina & Valentina! His family of him was poor so they moved 1973 to south germany to zillhausen, a Small Village That Belongs to Balingen! He Grew Up There, Went school and became retail manager. This would not want to take him to logistics. He was a truck driver before becoming a manager of Loetics had á á © xito. All the way from age 5 when he got a guitar of his beloved dad was in music! Bon Jovi thought Manuel English and started writing songs and singing! His Stardust's first band Tocó 1 concert, the second Scamp did not reach a concert. In 2004 he initiated a new band project called "The Boyscout" and called the musicians he knew, he gave his beloved Ovation Personalized Legend guitar in payment for a PA for the band. A day came to the Band Room to know that he was replaced by another singer. Since 2004 he made 4 albums and around 10 single as a single-artist "The Boyscout". Today, 2021 ... The Boyscout is still alive. 2019 He formed a new band project, Red Partizan, went to Tour in 15 European states and had 23 concerts. To learn after that he would not get the new advance of the German State. They gave him the very bad need of him 30,000 euros to a band of Universal, a company of 8 million dollars! Devastated and almost broken Manuel had to make a choice! Quit Musik or finding another way ... since 2013 Manuel Sufre Fibronyalgia. A disease where you have to live with extrem pain every second of the day ..... 2016 Manuel has intestine citr. He was at an early stage and could be removed but he left extreme scarves. Mentally and fostically! Manuel has 90% disability. What makes it more difficult is, what cannot be seen when faced with Manuel! In 2020 Manuel stopped his music project and had time to start writing his first book: "The Reserve of Nights Templar" (in German "das Buch der Tempelritter)" The first part of his series Custodes! That will have 6 parts. A HISTORICAL - Syfi- Thriller á (convié rete in Custodes and follows Manuel and William Carmichael in his adventure! elbinopsID elbinopsID aÁrerbil ne kcotS saÁrerbil 772 ne 2-3 DAYs Search for bookstores around you Synopsis You know that, probably at the very moment of history, the templar knights were the custodians of the four great relics of Christianity: the Holy Grail, the Vera Cross, the Ark of the Covenant and the Holy Woman? What were the templars that sat on King Arthur's Round Table? What relationship did those gentlemen keep with the family of Jesus the Nazarene? Do you know the link between the secret name of God and the Table of Solomon, the origin of the first crusades or the last moments of the Grand Master Jacques de Molay? The Order of the Temple and its knights, its history and mythology remain today one of the great episodes of our history. Their link with some of the sacred relics, their origin or their abrupt end continue to enchant historians, enigmas seekers and mystery fans, who travel through the ancient landscapes that lead to the castles of the White Brotherhood looking for the traces of a hidden knowledge that, perhaps with luck, the time has kept. In this work, Manuel FernÁndez exposes us some of the great chapters of the history of the Templars, exploring his great secrets and bringing to light unreferred episodes, such as his link with the Holy Grail and the knights of King Arthur, the existence of two factions within the Order and the mythical within the brotherhood. "They say that a long time ago a gentleman heard of a dredging that lived inside a cave. The paladin, bearing the cross of Christ embroidered in his white garments, entered the lair of the dredging willing to kill the beast. But, when he was in front of her, he suddenly discovered that the only monster that was there was there was the last one."
